## **DETAILED ACTION**

- 1. This action is responsive to the applicant's amendment filed on 09/13/2007.
- 2. The terminal disclaimer filed on 09/13/2007 has been approved.
- 3. Claims 1-9 and 11 have been cancelled.
- 4. Claim 19 has been amended.
- 5. Claims 10 and 12-20 are being allowed.

## **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appear below. Should the change and/or additions be unacceptable to the Applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such amendment, it MUST be submitted no later than the payment of issue fee. Authorization for examiner's amendment was given in a telephone interview with Meghan A. McGovern, Registration No. 60,476 on 10/02/2007. To obviate any potential 35 USC 101 issues and put the claims in condition for allowance, a proposed amendment claim 16 has been received and adopted by the Examiner – See listings of all remaining pending claims attached on pages 4-6.

# IN THE CLAIMS:

Claim 16 has been amended, see listings of all remaining pending claims attached on pages 4-6.

# Allowable Subject Matter

7. The following is an examiner's statement of reasons for allowance:

As applicant pointed out under Remark section, pages 6-8, Lee (US 6,920456 B2) taken either singly and/or in combination with other cited prior arts, do not compile the workflow view that includes the virtual tasks and the workflow including actual tasks, each virtual task corresponding to at least one actual task, into an aggregate workflow; insert into the aggregated workflow one or more aggregating routing task pairs, each pair configured to bound a virtual task and an associated actual task such that initiation of the virtual task is based on a status of the associated actual task and executing the aggregated, as recited in such manners in each of independent claims 10 and 16.

Prior arts of record do not teach and/or suggest these claimed limitations, thus, all remaining pending claims 10 and 12-20 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
